Re: Application 10/727,967 - Curtiss Mitchell Austin - Docket Austin001  
Office Communication dated 6/16/2005

Claims 1-13 were determined to be subject to restriction. I was directed to select either Group I or II. Accordingly, please accept my selection of Group II (the process-related claims 8-13).

I believe this selection obviates the need to select among the species associated with Figures 4, 7 and 11. However, I'd like to point out that Figure 11 represents a process variation, the use of sacrificial panels to facilitate trimming and edge finishing, as described in Claim 10.

Please call 800 595 3481 should you have any questions, or email [curt@austinimage.com](mailto:curt@austinimage.com). Note that my address has changed (see below).

A handwritten signature in black ink, appearing to read "Curtiss Mitchell Austin", is written over the printed name.
